

StemEnhance[®] ULTRA

IMMUNITY INCENTIVE

In light of what has occurred with COVID-19, we at Cerule understand that health and wellness should ALWAYS be at the top of your priority list.

We have replaced all current sales promotions with our Immunity Incentive. With this incentive, Cerule has placed a special spotlight on our Flagship product StemEnhance ULTRA.

Stem cells have been researched and clinically proven to help the body heal and repair. But don't take our word for it, [read this article](#) from the Rockefeller University in the USA. Even the experts acknowledge just how powerful our own stem cells are... and no, we didn't ask them to write this!

We want to make sure our Cerule Family always has a healthy mind and body. We know you love StemEnhance ULTRA so we have created the following Immunity Incentive care packages for you to ship free.

Immunity Incentive Package Options for both IBOs and Retail Customers:
